Puppy, 9 months & under 12 months	Bred By Exhibitor Adult
12-18 Months	American Bred
Novice	Open

Best of Breed Competition

Non-Regular Classes Involving Single Dog Entries

Winners from these classes are eligible, if undefeated in another class, for Best of Breed competition

The following non-regular classes will be provided for both dogs and bitches

Entries in these classes need not be intact.

Veterans - Both Specialties

Entries in these classes need not be intact.

Veteran 7-9 Years Class - 7 Years and Under 9 Years on the day of the show

Veteran 9-11 Years Class - 9 Years and Under 11 Years on the day of the show

Veteran 11 Years & Over Class - 11 Years and Older on the day of the show

Field Class - National Specialty ONLY

Entries in these classes MUST be intact.

Field Class - For Dogs and Bitches who have an AKC Hunting title.

Non-Regular Classes Involving Multiple Dog Entries (National Specialty Only)

Stud Dog Class – For Stud Dogs and two of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be (but need not be) entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition, and must be entered in the Stud Dog class as an "Additional Class." The Get must be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition.

The Stud Dog shall be considered one entry and requires one entry fee. The Stud Dog must be shown in the ring with the Get. The class will be judged based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the dog show rules, AKC policy, or the standard of the breed.

Brood Bitch Class - same as for Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get.

*Chapter 11, Section 8 of the "Rules Applying to Dog Shows" provides that a neutered male may be entered as a Stud Dog in the Stud Dog Class and a spayed Bitch may be entered as a Brood Bitch in the Brood Bitch Class.

Brace Class (Two dogs of the same breed, one or more common owner) – The dogs comprising a Brace must be named at the time the entry is made. If a dog which is to be part of the Brace is not entered in another class, it must be entered for "Brace Class Only." In making entries for "Brace Class Only," full particulars must be given for each dog using the individual, regular entry forms. An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for "Additional Class." If more than one Brace is entered by the same owner, the dogs comprising each Brace must be designated "Brace No. 1," "Brace No. 2."

As the judge's decision in the Stud Dog, Brood Bitch, and Brace classes will be based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won either of these classes.

Points Available for Reserve

The Spinone Club of America will award at its *National Specialty* a three point major to Reserve Winners Dog if the Regular Class Dog entry is twice the required number for a five point major in the division where the National Specialty is held.

AKC Sanctioned 4-6 Month Beginner Puppy Competition

Open Class - shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who have won three (3) first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show.

**SCOA'S LIVE(LY) AUCTION, RAFFLE,
& SILENT AUCTIONS NEED YOUR HELP!!!**

The 2024 National Specialty Fundraising Committee needs your help to make this the event of the year!

It takes a community to create a great event and the Auction and Silent Auction are the main fundraiser for our National. The auctions provide an opportunity for our extended Spinone community to get involved. We invite your contributions of items to make our event something truly special.

We ask support for both from all Spinone fanciers, friends, family, associates, and businesses, to have some fun and let your creativity flow! Imaginative and unusual items are especially appreciated and welcome!

Items do not need to be Spinone specific, although these are always popular and tend to bring in the highest bids. State-themed baskets are very popular as well as they can provide a diverse array of goodies to show off your state. Other theme ideas for baskets are hunting, conformation, obedience, grooming, and puppy – but don't let our themes limit your imagination for baskets or other auction items.

Do you know an artist who would donate an art piece? Everyone could use a cool Spinone themed nutcracker! What about a friend who does quilts, crochets, knits or embroiders? Painters? Sculptors? Cartoonists? How about a local dog fancier or business that would be willing to help out?

Do you run a Bed and Breakfast or have friends who do and may want to donate a weekend or week stay? Any tour guides who are or kayak? Truly, the possibilities are endless!

BACK BY POPULAR DEMAND!! THE WINE RAFFLE!

I am bringing wine from Indiana State and ask each member to bring a bottle of wine that is locally produced within your State to the 2024 National. We will collect all the bottles and hold a raffle; the winning ticket will win ALL THE WINE! So, leave space in the trunk, truck, camper, or RV....because one lucky winner will hit the vino jackpot! More info on the Wine Raffle will be forthcoming so keep a lookout.

We have great auctioneers lined up who will make this a fun and lively auction but they can't do it without your donations and we really, really, REALLY would appreciate your support! All items can be shipped to Michelle Stump Thomas, 4808 S Harrell Rd., Bloomington, IN 47401 to arrive by March 31, 2024.

How does a Beach, Beer & BBQ Wagon sound?

We are asking everyone that comes to Nationals to bring something to fill the wagon or go with the wagon. Anyone who brings something to add to our BB&BBQ wagon will receive a free raffle ticket that will be eligible for all of the raffle baskets. Please think outside the box. We don't want 30 bottles of sunscreen or 10 cases of Budweiser. Your item doesn't have to fit in the wagon, just go with our theme. We are hoping this will get everyone involved and excited about Nationals and the auctions and raffle.

The Sonesta Charlotte Executive Park unfortunately **will not accept** packages ahead of time, however, you can ship them to be received either Saturday, April 20th or Monday, April 22nd.

They must be marked ATTN: MICHELLE STUMP THOMAS, SCOA/AUCTION

Members and Breeders Education

“The Spinone Italiano and its Future” Join The Judges Education Committee and the New Breeders Education Committee for an informative and educational look at the current state of the breed and the future of the Spinone Italiano all over the world and in the United States. Please join us in welcoming the new Breeders Education Committee and hear their mission statement!

Judges Education (AKC Judges Only)

Breed Education Seminar: “The Spinone Italiano and Its Future” - presented by Suzanne Hudson, Co-Chair, SCOA Judge Education Committee

Everyone has a unique and strategic world view, and this affects how each of us evaluates a dog. Some will evaluate dogs according to their show wins or losses. Others will evaluate dogs according to their own eye and how they think the dogs demonstrate (or not) the AKC standard, and might dismiss any show record as completely irrelevant. Some have seen a breed in many different countries, while others have only seen a breed in the United States, so there are always variations in “eye” and education. Some will pay special attention to judges who have made a particular study of their breed, while giving less weight to the opinions of judges who take a more generic approach.

SCOA’s Judge Education Committee prefers to look at the Spinone Italiano as a puzzle. All of the pieces are important, and they all fit together to make the whole dog. All are welcome to this informative presentation.

Come out and make your voice heard! Please remember this club is run by volunteers. Courtesy and consideration is the order of the day so while you are encouraged to say what you have to say, please say it nicely. See you there!

This will be read as each dog enters the ring. Also, please include the full name of the dog, the call name, the age of the dog (date of birth), parents (if known), breeder (if known), and 3 or 4 favorite pictures.

In addition, **for those veterans who are unable to attend:** a brief slideshow will be developed and showcased before the parade, honoring those dogs who continue to make a difference but did not travel to the National. Please provide 3 or 4 pictures of your veteran throughout the years, including the dog's full name and call name, age or date of birth, and the owner's name. HEALTH SEMINARS

Ear/Allergy Seminar and Clinic

Dr. Amy Randall, DVM, MS, Diplomate ACVD

Dr. Randall will speak to us about ear issues, answer those resurfacing questions, and she will address concerns expressed by the SCOA membership and Spinone Fancy in particular. As time permits, she will offer "mini-exams" of dogs' ears in an effort to guide owners toward a successful outcome with concerns.

After receiving her Doctorate of Veterinary Medicine from North Carolina State University, Dr. Amy Randall practiced general veterinary medicine for a year in Fredericksburg, Virginia. With a deep desire to continue her education, Dr. Randall went on to complete a one-year internship in veterinary medicine and surgery at Mississippi State University in Starkville, Mississippi. She remained at MSU for one more year as a clinical instructor of Internal Medicine & Dermatology, as well as the Chief of ICU. She then completed a 3-year residency in veterinary dermatology at The Ohio State University in Columbus, Ohio. In addition to completing all the requirements to become board certified in dermatology, she also completed a Master's Degree in Science. Dr. Randall is board-certified by the American College of Veterinary Dermatology. She sees patients in Beaverton, Oregon and Greensboro, North Carolina.

Science. Dr. Randall is board-certified by the American College of Veterinary Dermatology. She sees patients in Beaverton, Oregon and Greensboro, North Carolina.

Dr. Randall is also the co-founder of Serenegy, LLC. The idea for the company came to her when she was feeling discouraged with the current pet treat industry. She and her sister Carla wanted to create an all-natural and limited ingredient treat option for dogs with food sensitivities. The company offers various flavors of pill wraps and treats that she formulated and tested herself. To be able to monitor quality, she decided to build a bakery next to our Beaverton clinic. For more information, you can visit their web-site at www.serenegy.com!

In her free time, she enjoys traveling, keeping fit by hitting the gym, speaking to groups about animal allergies, skin, and ear disorders, and spending time with her Chocolate Labrador, Cole, and Goldendoodle, Quinn.

Management of the Stud Dog/Whelping-Breeding Management Zoetis Animal Health: Dr. Lacey Rosenberg, Associate DVM, DACT

Semen draws will be made available following this presentation; spaces are limited. Please see the SCOAN National Specialty website for costs and details to sign up. <https://www.2024scoanationalspecialty.com/>

Dr. Lacey Rosenberg was born in northern New Jersey and grew up in the San Francisco Bay Area. She completed her undergraduate studies at the California Polytechnic State University in San Luis Obispo before earning her Doctorate in Veterinary Medicine from Kansas State University in 2016. She then completed a rotating internship in Small Animal Medicine, Surgery, and Emergency Medicine at VCA PetCare in Santa Rosa, CA, and worked as a general practitioner in the area the following year. Having always had a special interest in reproduction, Dr. Rosenberg decided to pursue specialty training by completing a Residency in Comparative Theriogenology at Cornell University College of Veterinary Medicine in July 2020. Dr. Rosenberg is a Diplomate of the American College of Theriogenologists. She enjoys all aspects of canine and feline reproduction and is looking forward to offering advanced reproductive veterinary services to the community. Dr. Rosenberg spent the last year providing Theriogenology Services at a large specialty and emergency hospital in Central New Jersey before moving to the beautiful Lake Norman area to join Veterinary Specialties at the Lake.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
