Entries taken 8:00am - 9:00am Day of Event

Classes offered: Fetch Novice & Fetch Intermediate

AKC Fetch is a pass-fail noncompetitive test. The four levels of titles (Novice, Intermediate, Advanced, and Retriever) assess the ability of the dog to retrieve. In the Advanced and Retriever levels, the dog must respond correctly to signals. There is also a memory component in Advanced and Retriever because a retrieving bumper or ball is dropped (or thrown) behind a blind where it cannot be seen.

For each of the four titles, the dog must pass the test twice under two different approved AKC Fetch judges.

Dogs who are at least 6 months of age are eligible to take the AKC Fetch test as long as they are registered or enrolled with AKC and have an AKC, PAL, or AKC Canine Partners number.
