NWAKC Junior Clinic

Saturday April 19, 2025

30 minutes after BIS

Food, drinks, and a snack will be provided for the juniors attending the clinic.

Clarence Lee (Jay) will be working with the juniors.

The pic below is of Jay and his personal bred-by dog Sir Egan.

I was introduced to the hobby sport and art of breeding and showing dogs at the age of sixteen by my dear friend and confidant Mrs. Karla Morgan of Tempest Collies. My first purebred dog and champion was CH Storms Tempest Call My Bluff (Gideon) a tricolor smooth collie. As a breeder owner handler I have bred and co-bred fifty plus collies, shelties, Pomeranians, chihuahuas, Manchesters and German shepherds combined. In 2010 myself and Laurie Jeff Greer were pleased to be the breeders and owners of the Collie Club of America's winners dog whom also later became multi-BISS group winning and placing GCH. CH Arrowhill Swords Held High that later retired as the #3 rough collie all breeder owner handled. As a professional handler I have also had the privilege of showing and finishing Collies, Shetland Sheepdogs Australian shepherds, and a number of herding toy and non-sporting breeds for some of the most wonderful clients. As of current I still breed occasionally and handle professionally for still the most wonderful clients a handler could ever ask for. In short there isn't a job that I have ever enjoyed as much as professional dog show handling or a art form like the sport and hobby of breeding and showing purebred dogs.

Strongly I say. NEVER forget your roots and those that thought enough of you to share their time, knowledge and results of their breeding program with you.

With that said the sport hobby and art of breeding and showing purebred dogs definitely demands focus a open mind and most importantly determination. This art form most definitely isn't for the faint of heart as many seasoned hobbyists will tell you. There are so many new and wonderful things we can learn TOGETHER if we are willing to keep an open mind and put to use the tools and information given or offered by those that are willing to share. Even the smallest item or piece of wisdom can make a huge impact if used correctly.

With that said I am pleased to be chosen to share my knowledge and experiences with those that will soon be tomorrows torch bearers future breeders, artist and hobbyists of a sport that I and so many of us hold dear to our hearts .
