### SHOW THEM

Welcome to the dog show where the only thing expected to be well-tailored is your dog's coat! For 2026, NWAKC is ready for the summer, even if our show is in April – we're going casual. This is a strictly no-suits event, so leave the blazers, ties, and "boardroom energy" at home and arrive in your finest vacation/casualwear. If your outfit allows you to sprint after a loose leash, crouch for treats, or survive a surprise slobber attack, you're dressed perfectly. Your dog doesn't care what you wear and neither do we.

# plush Puppy Class

Calling all new and aspiring exhibitors 5 years old and younger!

The Northwest Arkansas Kennel Club is proud to present our Plush Puppy **Class** on **Sunday, April 19, 2026.**

**EVERYONE WINS A RIBBON!**

A "Plush Puppy" class at a dog show isn't a standard breed competition but a fun, informal event for very young kids under to "show" their stuffed animals, mimicking real dog handling in the ring with a parent's help, serving as a cute introduction to dog show atmosphere before formal Junior Showmanship. It's a non-competitive, heartwarming "special attraction" designed to get toddlers comfortable with the show setting, emphasizing fun over winning.

Register at the catalog table by 10:00 AM on Sunday.

Information on ring time and ring number will be available at the catalog table by 9:30 AM.

NWAKC will provide the plush puppies and a leash for all participants.

**NOTE:**

A supervising adult must be present ringside to participate.

# Attention Exhibitors

The show site will be available to exhibitors at 1:00 pm Friday, April 17, 2026 with the only exception being **WORKING club members**. Dogs must be removed from the show site immediately following Best in Show judging on Sunday.

**New exhibitor briefing on Saturday** . Check the Judging Program for time and location.

**REMINDER TO ALL SMOKERS:** The building is a SMOKE FREE building.

**It's April. Rain**, from a drizzle up to a monsoon, is likely. Please bring rain gear for you and your dogs. Be aware that the grounds on the west side of the buildings are prone to mild flooding so please choose where you set up your x-pens and crates carefully.

To ensure adequate space for grooming and quartering of dogs, the Club will require all exhibitors to stack crates, limit grooming tables, and comply with any and all limitations as may be imposed by the Building and Grounds Committee or the Superintendent.

No space may be saved by roping off, using mats, or any other means.

Exhibitors and Handlers will be held responsible for clean conditions in and around their crates.

**NO SOFT SIDED CRATES.**

**ABSOLUTELY NO X-PENS OR 3X3 PUPPY PENS** inside of the building. X-pens will be allowed on the South end of the grass behind and on the side of the building unless an RV spot has been reserved.

**PLEASE NOTE:** The grassy area to the west of (behind) Thompson Hall is reserved RV Parking. Please do not park or set up X-pens on the grass in front of the fence. You may pay for RV Parking if you wish to reserve this space for X-pen set-up. X-pens may be set up on the grass on the South end of the building where Free Grooming is located.

**Crating outside rings** is limited to temporary set ups during judging of your breed. You may set up crates 15 minutes before judging and remove the crates within 15 minutes after judging. Our space is very limited around the rings. Absolutely no permanent set ups ringside.

**Dumping of dog food** or grooming residue into the restroom sinks or toilets is strictly prohibited. No dogs will be allowed in the restrooms. There will be bathing facilities in the beef barn on the north side of the fairgrounds. This is about 100 feet from the rings. Hose hookups available.

Exhibitors are responsible for picking up after their dogs on the grounds. Supplies will be available for pickup. This will be enforced.

**NOTE ABOUT BLOW DRYERS:** The buildings where the rings and most of the grooming are located are not equipped to handle the heavy draw on electricity that multiple blow dryers will cause. Using them in the grooming area is likely to trip the circuit breakers. While we will do our best to reset the breakers promptly so that grooming can continue, we ask that exhibitors consider utilizing the beef barn for blow drying. The area is spacious, roofed with open sides, has heavy duty electrical outlets available, and is free. You are welcome to groom in either location, but please be patient if you choose to use blow dryers in the main grooming area.

**In accordance with Sections 1 & 2 of AKC's Dealing with Misconduct**, the Show Committee reserves the right to retain Event Committee jurisdiction over exhibitors whose names have been referred by hotels/motels as having left their rooms and/or grounds in a state that appears negligent or offensive. The Show Committee will obtain photographic proof of damaged hotel rooms. The exhibitor will be responsible for picking up after their dogs at the motels/hotels. No bathing/ grooming of dogs in motel rooms.

**The welfare of an exhibitor's child is the responsibility of the exhibitor. It is distinctly understood that exhibitors will exercise control & restraint over their children on the day of the show. No strollers will be allowed in the show buildings.**

AMERICAN  
KENNEL CLUB®

# AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

Everything We Do,  
We Do for Dogs.
