Best of Breed Competition

Non-Regular (Additional) Classes Involving Single Dog Entries

The following non-regular classes will be provided for both dogs and bitches
Winners of the following classes are eligible to compete in Best of Breed Competition if
undefeated in any other class at this show.

Veteran (7 yrs & over)

Neutered Dogs and Spayed Bitches are eligible to enter Veteran classes

Gun Dog Class - For Dogs and Bitches that have an AKC Hunting title and/or an IWSCA Working Certificate and/or Working Certificate Excellent and/or an AKC Field Trial Title.

Non-Regular (Additional) Classes Involving Multiple Dog Entries

As the judge's decision in the Non-Regular Classes involving Multiple Dog Entries will be based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won these classes.

Stud Dog Class – For Stud Dogs and at least two, and not more than four of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition, but must be entered in the Stud Dog class. The Get must be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition.

The Stud Dog shall be considered one entry and requires one entry fee – this being the regular fee plus the additional class fee, if the Stud Dog is entered in another class. The Stud Dog must be shown in the ring with the Get. The class will be judged based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the dog show rules, AKC policy, or the standard of the breed.

Brood Bitch Class - same as for Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get.

Stud Dogs and Brood Bitches may be spayed or neutered.

Generations—The entries in the Non-Regular Class represent 3 generations of an Irish Water Spaniel pedigree in each “Entry”. They are to be exhibited from the oldest to the youngest. In the Generations Class, each entry is judged on the merits of all 3 of the dogs (Example: dog, sire, grandsire). Entries in this class need not all be of the same sex. Spayed/neutered dogs may be exhibited in this class. At least one dog, from each entry in this class must be entered in a regular conformation class. In this Generations Class, each entry is evaluated on the merits of all the dogs presented and the overall consistency on maintaining the standard of the breed through the multiple generations.

A separate entry form must be submitted for each dog.

Each Dog comprising each Generations entry MUST be designated at time of entry.

Awards of Merit

The Irish Water Spaniel Club of America offers Awards of Merit at its National Specialty Show in recognition of the quality dogs that are in serious contention for the top breed awards. It excludes the Best of Breed winner and the Best of Opposite Sex winner that by virtue of their placements have already been recognized. It is entirely the judge's decision whether to give all of the Awards of Merit, only some, or none. The number of awards that may be made is determined by the size of the entry based on the # of dogs competing in the Best of Breed ring including entered Champions of record, any move-ups, Veteran Dogs, Veteran Bitches, Winners Dog and Winners Bitch x 10% rounded up, with no consideration as to sex. AOMs should not be confused with Select Dog and Select Bitch which are AKC awards toward Grand Championship status and are to be awarded per AKC rules.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
