Neutered and spayed dogs and bitches may compete. **NO ADDITIONAL FEE IS REQUIRED.**

BEST HUNTING DOG COMPETITION RULES: During the course of regular judging, the assigned judge will select a Best Hunting Dog from the Hunting Dog class winners. This will be done after the Best of Breed/Variety Competition unless the Best Hunting Dog award is automatic. Example: An entry from Veteran class is awarded Best of Breed. Only dogs and bitches undefeated in a Hunting Dog class are eligible for the Best Hunting Dog Competition. If the first place winner is not present, the second place winner may not compete. Neutered and spayed dogs and bitches may not compete.
NO ADDITIONAL FEE IS REQUIRED.

Non-Regular Classes Involving Multiple Dog Entries

Stud Dog Class – For Stud Dogs and two of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered in one of the Regular or Non-Regular Classes or, if a Champion of Record, in Best of Breed competition, but must be entered in the Stud Dog class. The Stud Dog may be entered in the Stud Dog Class only at the regular entry fee. The Get must be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition. The Stud Dog shall be considered one entry and requires one entry fee. The Stud Dog must be shown in the ring with the Get. The class will be judged based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the dog show rules, AKC policy, or the standard of the breed.

Brood Bitch Class - same as for Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get.

*Chapter 11, Section 8 of the "Rules Applying to Dog Shows" provides that a neutered male may be entered as a Stud Dog in the Stud Dog Class and a spayed Bitch may be entered as a Brood Bitch in the Brood Bitch Class.

Brace Class - A brace is defined as two dogs of the same recognized breed or variety that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs competing in brace competition must have at least one common owner. The dogs comprising a Brace must be named at the time the entry is made and must be entered in another class. An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for "Additional Class" if more than one Brace is entered by the same owner, the dogs comprising each Brace must be so designated "Brace No. 1," "Brace No. 2." Please submit brace entries together.

Team Class - A team is defined as four dogs of the same recognized breed or variety that are similar in appearance, performing in unison, and presented by a maximum of four handlers. All dogs competing in team competition must have at least one common owner. The dogs comprising a Team must be named at the time the entry is made and must be entered in another class. An entry form for a dog entered in another class and entered as part of a Team must be marked accordingly in the space provided for "Additional Class" if more than one Team is entered by the same owner, the dogs comprising each Team must be so designated "Team No. 1," "Team No. 2." Please submit team entries together.

Generations Class:
Each entry will consist of three Field Spaniels from three consecutive generations. The ***Gr***andsire or ***Granddam*** is actually the primary dog/bitch entered on the entry form. The grandsire and/or granddam may be neutered or spayed unless they are representing another maturity entry as a sire and/or dam or get. The dogs comprising a Generations Class Entry must be named at the time the entry is made and must be entered in another class. An entry form for a dog entered in another class and entered as part of a Generations Class must be marked accordingly in the space provided for "Additional Class." If more than one set of Generations Class entries is entered by the same owner, the dogs comprising each Generations entry must be so designated "Generations entry No. 1," "Generations entry No. 2." Please submit Generations entries together if possible.

As the judge's decision in the Stud Dog, Brood Bitch, Brace, Team, and Generations classes will be based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won any of these classes.

A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show. Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after the closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notify-ing the Superintendent or Show Secretary prior to the judging of the class at the show.

Open Class - shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have won three (3) first place awards, with competition present, in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show.

Master Class - for boys & girls who are at least 9 years old and under 18 years on the day of the show, and who have won the 10 first place wins in an Open class with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and must change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to complete for the following year.

No entry may be changed or canceled unless notice of the change or cancellation is received in writing by the Superintendent or Show Secretary named in the premium list to receive entries, prior to the closing date and hour for entries, except that a correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer is made by the Superintendent or Show Secretary prior to the judging of the class at the show.
