The Perfect Pair: The Nutrition-Reproduction Connection
First Meals Matter: Nutrition Keys for Canine Neonates
Advances in Canine Neonatology

Also his Biography is as follows:

Emmanuel Fontaine graduated from the Toulouse Veterinary School in 2004, he continued his studies at the Alfort Veterinary School (Paris) as trainee Vet in the domestic carnivore unit of the Reproduction Department. From 2005 to 2011, he worked at the Centre d'Etude en Reproduction des Carnivores (CERCA) [Research Centre for Reproduction in Carnivores], a unit specializing in pet breeding assistance. Emmanuel Fontaine is also qualified at the European College for Animal Reproduction (ECAR) and completed his PhD in 2012 on the use of GnRH agonists in canines. From September 2011 to September 2018, he worked as Technical Services Veterinarian for the PRO team at Royal Canada. He then was in charge of Scientific Communication for the Americas until August 2022. He now works as Senior Scientific Communications Veterinarian for Royal Canin North America.

**Join us for a
FIRE & LIFE
Safety Presentation**

Protect your pups, assets, and more with strategic safety practices and state of the art fire safety devices.
