NOTICE TO EXHIBITORS

This Cluster will attempt to honor ring time requests, however we make no promises, as times are driven by the below factors.

DO NOT CONTACT FOY TRENT DOG SHOWS

All requests must go through the Show Chairs and/or the Cluster Chair

Did you know....?

...scheduling requests such as "please don't schedule spinoni at 8:00am" need to be submitted to the cluster coordinator or event chair(s). It is their responsibility to prioritize the requests they receive and submit one consolidated list to FTDS. As much as we try to accommodate such requests, it just isn't always possible.

Things we have to consider when doing the judging program:

- 🐾 Heavily groomed breeds vs wash and wear breeds
- 🐾 Breeds with varieties (not back to back if possible)
- 🐾 Ramp breeds together / table breeds together
- 🐾 Club needs / Special Activities (Pee Wee etc)
- 🐾 Judge needs / requests / lunch breaks / breeds assigned
- 🐾 Number of rings available
- 🐾 Start time of show
- 🐾 Conflicting requests ...

Bonnie: please don't schedule Spinoni & Mastiffs same time

Mary: please don't schedule Mastiffs & Bull Terriers same time

Barb: please don't schedule Bull Terriers and Jrs same time

Tracey: please schedule Juniors as early as possible

ATTENTION

In light of the tragedy that occurred in Tampa last June, the Winter Wonderland Cluster Sought some way of doing some education to hopefully prevent this from occurring again.

After much diligent research we found a company called Proteng. This company has come up with different systems Designed to protect your RV, Truck or vehicle from the devastation of a fire.

The company has graciously offered to come to our shows. They will be presenting safety presentations. These will be held on the off day Thursday.

They will be scheduled throughout the day. We encourage you to plan on attending one of these. They will be held in MMH.

They will also have a vendor booth to have experts talk to you about their Systems and how they can protect you, your family, your property and Importantly our fur babies!

They will have installers on the grounds to install whatever system best fits your needs. We highly encourage you to look at these systems, so hopefully an event like Tampa never occurs again.

See the below ad for more information!

Join us for a **FIRE & LIFE** Safety Presentation

Protect your pups, assets, and more with strategic safety practices and state of the art fire safety devices.

Custom **THIA by Proteng** automatic fire detection and suppression systems will present the **Future in Fire Protection** and offer show discounts on select fire suppression systems.

Our installation team will be available throughout the event for estimates and custom installations.

Novice Class - shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show. Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after the closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent or Show Secretary prior to the judging of the class at the show.

Open Class - shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who have won three (3) first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show.

Master Class - will be for boys and girls who are at least 9 years old and under 18 years on the day of the show, and who have won 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and must change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

No entry may be changed or cancelled unless notice of the change or cancellation is received in writing by the Superintendent or Show Secretary named in the premium list to receive entries, prior to the closing date and hour for entries, except that a correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer is made by the Superintendent or Show Secretary prior to the judging of the class at the show.

NOTICE: Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry.

You may obtain your junior identification number by calling the AKC, Judges Education Department (919) 233-9767.

Pee Wee Competition—Saturday

Judge: Whitney Anne Meeks

Entry Fee: Free

Pre-entries close on Wednesday November 8, 2023, at Superintendent's Office
On Site entries taken day of show up to 11:00 AM at the Superintendent's desk.

Consult Judging Program for Ring # . The event will start at noon.

The Pee Wee Special Attraction is a pre-Junior Showmanship class. The Pee Wee class is geared toward children 5 to under 9 years of age at all shows offering Pee Wee.

Each Pee Wee consists of the child, his/her parent/guardian/responsible adult, and the dog. Only one Pee Wee unit is in the ring at a time. This is not a competitive class, but rather a fun, learning experience for the child and the adult.

- Dogs do not have to be AKC registered.
- A dog must be at least four months of age to enter the Pee Wee class.
- Bitches in season will not be allowed to participate. If pre-entered, a dog may be substituted that meets the eligibility requirements.
- All dogs entered must have proper lead and collar.
- A responsible adult must be present with the child both inside and outside the ring. The adult is to maintain control of the dog outside the ring.
- At an All-Breed event, all AKC fully recognized and Miscellaneous Class breeds are allowed to enter, including dogs with a PAL listing.
- In addition to an entry, a release must be signed by the child's parent or legal guardian. Release forms will be available at the show.
- The safety of both the dogs and Juniors inside and outside the ring is a primary concern. Outside of the ring, the dog is to be controlled by the adult accompanying the child. An additional lead, provided by the Club, will be at the Judge's table. At the Judge's discretion based upon the size of the child and the dog, for safety purposes the adult may be asked to attach a second lead to the dog so both child and adult will walk the dog together. Although the word "judge" will be used, this is designed to be a learning and mentoring experience—no Junior will be "judged" but rather will be mentored with age appropriate amount of information to help prepare them for what they will be expected to know about AKC regular Junior Showmanship once they reach 9 years of age. The children will be mentored one child, their adult, and dog in the ring at a time **Each child will receive a participation rosette to commemorate the experience!** The Judge should explain the process of showing the dog to the Junior and the responsible adult in the ring including breed specific presentation. Depending on the size of the dog and the child, the adult may be asked to lift a table breed on or off the table, or the Club may mandate that the adult should do regardless. Neither the youngster nor the adult should be asked to show the bite.

PERRY AREA HOTELS/MOTELS

In order to get special rates, you must call the motel direct and inform them you are with the dog shows. All exhibitors read the regulations on hotel/motel accommodations.

NOTICE TO DOG OWNERS/EXHIBITORS

WHEN YOU SIGN THE ENTRY FORM, YOU AUTOMATICALLY AGREE TO THE FOLLOWING TERMS CONCERNING MOTELS EXTENDING THEIR PLACE TO YOU.

THE FOLLOWING RULES HAVE BEEN ESTABLISHED FOR THE GOOD OF ALL EXHIBITORS CONCERNED.

1. Plastic sheeting is to be placed under every crate in motel rooms. This will keep carpets clean and dry. Plastic sheeting for each crate will be the responsibility of each exhibitor to provide **HIS/HER** own.
2. Dogs must be crated when owner is out of the room. **NO EXCEPTIONS.**
3. Dogs must be kept on a leash at all times while in the hotel, lobbies or on hotel grounds. Rooms and lobby must be kept clean of dog debris.
4. Dogs should be “exercised” in designated areas on motel premises. Every dog owner is expected to pick up after his own dog and dispose of waste in designated trash cans. It is the responsibility of the dog owner to find out from the innkeeper where these areas and cans are located.
5. Due to the severe clogging problems with the drain pipes, no dog may be bathed in the hotel. Crating and bathing facilities with hot and cold water are available at the show site.
6. Rooms will be inspected daily by members of the hotel staff and observed violations or damages will be reported to the hotel management and/or the investigative committee.
7. The investigative committee, working with a fair and equitable system, is charged with investigating complaints.
8. Each dog owner/registrant is expected to cooperate with the investigative committee, hopefully settling damage claims on the spot, or else must be willing to furnish information such as insurance policy numbers and other pertinent information as required/requested.
9. Should a hotel/motel, for cause, deem it necessary to cancel room privileges, the registrant agrees to forego legal actions against CLUSTER CLUBS and the hotel/motel.
10. As an exhibitor, I am aware that violations may be referred to the **Show Committee** if written charges are preferred. If such charges are upheld by the **Show Committee**, it may lead to suspension from future show privileges.
11. Motel/hotels have the right to charge a deposit (refundable or non-refundable).

BRVI

Born out of a desire to better serve our breeder and handler friends, BRVI offers the highest quality veterinary, digital radiography with the convenience of a mobile unit. Using the very latest DR radiography technology, images are acquired within seconds of exposure allowing BRVI to provide OFA certification radiographs onsite at dog shows and field trials. With the staff's use of fear-free techniques and in the presence of their owner/handlers, dogs do not require sedatives or anesthesia to go through the process. Capturing images while muscle tone is present and therefore less laxity in the joints may increase odds of good or excellent interpretations.

NATHAN CRADDOCK, DVM

A South Carolina native, Nate studied animal science at Clemson University before pursuing his veterinary degree from The University of Georgia. He has been serving the Clemson community for over 20 years at TigerTown Animal Hospital. During that time, he has been privileged to have developed strong relationships with local dog breeders and kennel clubs. Nate is a member of Rotary International and is a Boy Scout leader. **THE THIRD ANNUAL
SUSAN ROMAN
BEST JUNIOR HANDLER IN CLUSTER
COMPETITION**

In Honor and Memory of Susan Roman a loved and valued member of the Kennesaw Kennel Club, Inc. and the Cocker Spaniel Specialty Club of Georgia, we will be holding a Best Junior Handler in Cluster Competition.

It will be comprised of the Best Junior Handlers from the regular competition winners from Tuesday, Wednesday, Friday, Saturday and Sunday's shows.

It will be judged right before Best In Show on Sunday.

There will be a \$500.00 check, trophy and Rosette awarded.

Susan was the Vice President of the Kennesaw Kennel Club and President of the Cocker Club and very active in both clubs. She was always a sponsor of Juniors and believed that the Juniors were the true future of our Clubs and Dog Shows.

She will be missed by all who knew her, but with this competition our hope is her legacy and memory will live on and she will never be forgotten nor will her accomplishments in both clubs and her love for her Cocker Spaniels.
