Master Class

Novice Class - shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show. Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after the closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent or Show Secretary prior to the judging of the class at the show.

Open Class - shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who have won three (3) first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show.

Master Class - will be for boys & girls who are at least 9 years old and under 18 years on the day of the show, and who have won 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and must change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

No entry may be changed or cancelled unless notice of the change or cancellation is received in writing by the Superintendent or Show Secretary named in the premium list to receive entries, prior to the closing date and hour for entries, except that a correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer is made by the Superintendent or Show Secretary prior to the judging of the class at the show.

NOTICE: Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry.

You may obtain your junior identification number by calling the AKC, Judges Education Department (919) 233-9767.

FSS OPEN SHOW

An FSS Open Show is an informal American Kennel Club sanctioned conformation event at which Championship points are not earned but rather Certificate of Merit (CM) points are awarded to this introductory AKC conformation suffix title. The FSS Open Shows are events at which dog clubs, judges, stewards, and exhibitors and their dogs gain experience needed for licensed events.

All of the Rules Applying to Dog Shows will apply to sanctioned FSS Open Shows, except where otherwise stated in these Regulations which are subject to amendment by the AKC Board of Directors.

- Dogs must be at least 4 months of age on the date of the event.
The following breed classes will be offered at the FSS Open Shows:
(All Classes Divided by Sex)
4-6 Month Puppy Class • 6-9 Month Puppy Class • 9-12 Month Puppy Class
Bred By Exhibitor Class • Open Class
- Miscellaneous breeds will be considered equivalent to a Group.
- The Miscellaneous Class winner will compete with the Group winners for Best in Show.
- FSS breeds will be considered equivalent to a Group.
- The Best FSS winner will compete with the Group winners for Best in Show. FSS Open Show Entry Restrictions
- Dogs less than 4 months of age are ineligible to be on the grounds of licensed or member shows during AKC events.
- Dogs are required to be vaccinated in accordance with their veterinarian's protocol (including rabies vaccination) in order to avoid inadvertent transmission of illness by/to puppies not yet fully immunized.
- Professional handlers or agents are only permitted to exhibit in FSS Open Shows if they are listed as an owner of record of the dog being exhibited. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay.
- No judge or any person residing in the same household with a judge shall exhibit or act as agent or handler at an FSS Open Show at which they are officiating as judge and dogs owned wholly or in part by such judge or any member of their household shall be ineligible to be entered at the show. Subject to the foregoing, members of a judge's immediate family who no longer reside in the same household may enter or handle a dog at a show if the judge is not officiating over any competition, including a group class or best in show, for which the dog is entered or may become eligible.
- No dog is to be judged if it is brought into the ring bandaged, taped, glued or stitched anywhere including ears or tail. These dogs must be excused from judging but, at the judge's discretion, may return to be judged after the tape or bandage is removed.
- The show chair is required to be a member of the show-giving club.
- The show results and event service fee of \$2.00 per entry must be submitted to AKC Event Operations within seven (7) days of the event.
- Dealing with Misconduct will be applicable to any person and dog entered in this competition.
- FSS Open shows must be judged by judges that have an AKC judges number.
- Judges are expected to comply with Rules Applying to Dog Shows and Rules, Policies, and Guidelines for Conformation Dog Show Judges except as follows:
- Breed standard disqualifications (i.e. color, height, full dentition, etc.) need not be considered in the 4-to-6 Month Puppy classes and male puppies without 2 fully descended testicles need not be disqualified or excused in the 4-to-6 Month Puppy class but the judge's book must describe the condition.
- In all other classes, male puppies without 2 fully descended testicles need not be disqualified but should be excused and the judge's book must describe the condition and Certificate of Merit points withheld.
- The speed of judging expectation is reduced to 20 dogs per hour in order to accommodate puppies and inexperienced exhibitors. Judges should interact and encourage exhibitors in order to make their exhibiting a positive experience.
- Judges may ask exhibitors if they prefer to open their dog's mouth for examination. However judges have the authority to personally open the dog's mouth.
- No protests against dogs for height, weight or any other breed specific disqualification may be entertained at FSS Open Shows.
- A dog with a disqualifying condition or behavior shall not be disqualified but shall simply be excused for the day. The judge may only disqualify dogs for attacking in the ring.

Ribbons and Trophies

Ribbons for classes, Groups and Best in Show will be as follows:

- First Prize – Rose • Second Prize – Brown • Third Prize – Light Green • Fourth Prize – Gray
- Best of Breed – Orange • Best of Opposite Sex to Best of Breed – Lavender
- Best in Show – Pink & Green

All trophies or prizes offered must be awarded for outright award to the owner of the dog.

Certificate of Merit

The Certificate of Merit (CM) title is an introductory title to AKC conformation events. Entrants in each breed shall compete for Best of Breed and Best of Opposite Sex to Best of Breed. Winners of the Best of Breed in each of the individual breeds will be awarded points toward the CM title based on the number of dogs competing in their breed. Best of Opposite Sex to Best of Breed in each of the individual breeds will be awarded points towards the Certificate of Merit (CM) title based on the total number of dogs competing in their sex. Group winners will be eligible for the points based on the total number of dogs that competed in the Group. Best in Show will be eligible for the points based on the total number of dogs that competed in the show.

## **Pee Wee Competition**

**SATURDAY JUDGE:** Lisa Waldo #110998

**ENTRY FEE:** \$5

Limited to 15 Entries

**Entries accepted on-line and also day of up to the limit of 15 entries.**

Consult Judging Program for meeting place & time

The Pee Wee Special Attraction is a pre-Junior Showmanship class. The Pee Wee class is geared toward children 5 to under 9 years of age at all shows offering Pee Wee.

Each Pee Wee unit consists of the child, his/her parent/guardian/responsible adult, and the dog. Only one Pee Wee unit is in the ring at a time. This is not a competitive class, but rather a fun, learning experience for the child and the adult.

- A dog must be at least four months of age to enter the Pee Wee class.
- Bitches in season will not be allowed to participate. If pre-entered, a dog may be substituted that meets the eligibility requirements as specified by the club.
- All dogs entered must have the proper lead and collar.
- A responsible adult must be present with the child both inside and outside the ring. The adult is to maintain control of the dog outside of the ring.
- At an All-Breed event, all AKC fully recognized and Miscellaneous Class breeds are allowed to enter, including dogs with a PAL listing.
- In addition to an entry, a release must be signed by the child's parent or legal guardian. Release forms will be available at the show.

The safety of both the dogs and Juniors inside and outside the ring is a primary concern. Outside of the ring, the dog is to be controlled by the adult accompanying the child. An additional lead, provided by the Club, will be at the Judge's table. At the Judge's discretion based upon the size of the child and the dog, for safety purposes the adult may be asked to attach a second lead to the dog so both child and adult will walk the dog together.

Although the word "judge" will be used, this is designed to be a learning and mentoring experience—no Junior will be "judged" but rather will be mentored with the age appropriate amount of information to help prepare them for what they will be expected to know about AKC regular Junior Showmanship once they reach 9 years of age. The children will be mentored one child, their adult, and dog in the ring at a time. Each child will receive a participation Rosette and each dog will receive a squeaky toy to commemorate the experience!

The Judge should explain the process of showing the dog to the Junior and the responsible adult in the ring including breed specific presentation. Depending on the size of the dog and the child, the adult may be asked to lift a table breed on or off the table, or the Club may mandate that the adult should do it regardless. Neither the youngster nor the adult should be asked to show the bite.

### **AWARDS OF MERIT**

The judge may, at his/her discretion, recall into the ring up to 10% of every breed or variety of breed, with a minimum of 7 Specials entered, to receive an Award of Merit offered by the Decatur Alabama Kennel Club. These Awards are reserved for these quality animals the judge feels are worthy of final consideration for Best of Breed/Variety. **Supported Entries & Concurrent Specialties** will receive a Rosette. All other breeds will receive a Rosette

### **ATTENTION EXHIBITORS**

## **Non-Regular Classes - Involving Multiple Dog Entries**

As the judge's decision in the Non-Regular Classes involving Multiple Dog Entries is based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won these classes.

**STUD DOG CLASS** - For Stud Dogs and two of their Get. It is not necessary that the Get

be under the same ownership as that of the Stud Dog. The Stud Dog may be entered separately in one of the regular classes, or if a Champion of Record in Best of Breed Competition, but **MUST** be entered in the Stud Dog Class, the Get **MUST** be entered in one of the regular classes. The Stud Dog shall be considered as one entry and requires one entry fee, this being the regular fee plus the additional class fee if the Stud Dog is entered in another class. The Stud Dog must be shown in the ring with the Get. The class will be judged on the merits of the Get.

**BROOD BITCH CLASS** - Same as for the Stud Dog except substitute Brood Bitch for Stud Dog & Produce for Get.

**Generation classes: 3 generations of dog/bitch, the offspring and the offspring's offspring. Doesn't have to be the same owners.**

**The Top 10 will be held. Those that qualified in the top 10 standings from October 1, 2024 through September 30, 2025 will be invited.**

AMERICAN  
KENNEL CLUB

# AKC® Code of Sportsmanship and Civility

**Preface:** The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.
