NOTICE TO EXHIBITORS

This Cluster will attempt to honor ring time requests, however we make no promises, as times are driven by the below factors.

DO NOT CONTACT FOY TRENT DOG SHOWS

All requests must go through the Show Chairs and/or the Cluster Chair

Did you know?

... scheduling requests such as "please don't schedule spinoni at 8:00am" need to be submitted to the cluster coordinator or event chair(s). It is their responsibility to prioritize the requests they receive and submit one consolidated lists to FTDS. As much as we try to accommodate such requests, it just isn't always possible.

Thing we have to consider when doing the judging program:

- 🐾 Heavily groomed breeds vs wash and wear breeds
- 🐾 Breeds with varieties (not back to back if possible)
- 🐾 Ramp breeds together / table breeds together
- 🐾 Club needs/ Special Activities (Pee Wee etc)
- 🐾 Judge needs/ requests / lunch breaks / breeds assigned
- 🐾 Number of rings available
- 🐾 Start time of show
- 🐾 Conflicting requests

Bonnie: please don't schedule Spinoni & Mastiffs same time

Mary: please don't schedule Mastiffs & Bull Terriers same time

Barb: please don't schedule Bull Terriers and Jrs same time

Tracey: please schedule Juniors as early as possible

I have to get up early and be in the ring at 8am, don't I?

Novice Class - shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show. Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after the closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent or Show Secretary prior to the judging of the class at the show.

Open Class - shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who have won three (3) first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show.

Master Class - will be for boys and girls who are at least 9 years old and under 18 years on the day of the show, and who have won 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and must change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

No entry may be changed or cancelled unless notice of the change or cancellation is received in writing by the Superintendent or Show Secretary named in the premium list to receive entries, prior to the closing date and hour for entries, except that a correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer is made by the Superintendent or Show Secretary prior to the judging of the class at the show.

NOTICE: Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry.

You may obtain your junior identification number by calling the AKC, Judges Education Department (919) 233-9767.

Pee Wee Competition - Saturday

Judge: Sharon Redmer

Entry Fee: Free

Pre-entries close on Wednesday November 5, 2025, at Superintendent's Office
On Site entries taken day of show up to 11:00 AM at the Superintendent's desk.

Consult Judging Program for Ring #. The event will start at **NOON**.

The Pee Wee Special Attraction is a pre-Junior Showmanship class. The Pee Wee class is geared toward children 5 to under 9 years of age at all shows offering Pee Wee.

Each Pee Wee unit consists of the child, his/her parent/guardian/responsible adult, and the dog. Only one Pee Wee unit is in the ring at a time. This is not a competitive class, but rather a fun, learning experience for the child and the adult.

- Dogs do not have to be AKC registered.
- A dog must be at least four months of age to enter the Pee Wee class.
- Bitches in season will not be allowed to participate. If pre-entered, a dog may be substituted that meets the eligibility requirements as specified by the club.
- All dogs entered must have proper lead and collar.
- A responsible adult must be present with the child both inside and outside the ring. The adult is to maintain control of the dog outside the ring.
- At an All-Breed event, all AKC fully recognized and Miscellaneous Class breeds must be allowed to enter, including dogs with a PAL listing.
- In addition to an entry, a release must be signed by the child's parent or legal guardian. Release forms will be available at the show.
- The safety of both the dogs and Juniors inside and outside the ring is a primary concern. Outside of the ring, the dog is to be controlled by the adult accompanying the child. An additional lead, provided by the Club, will be at the Judge's table. At the Judge's discretion based upon the size of the child and the dog, for safety purposes the adult may be asked to attach a second lead to the dog so both child and adult will walk the dog together.

Although the word "judge" will be used, this is designed to be a learning and mentoring experience—no Junior will be "judged" but rather will be mentored with age appropriate amount of information to help prepare them for what they will be expected to know about AKC regular Junior Showmanship once they reach 9 years of age. The children will be mentored one child, their adult, and dog in the ring at a time **Each child will receive a participation rosette to commemorate the experience!**

The Judge should explain the process of showing the dog to the Junior and the responsible adult in the ring including breed specific presentation. Depending on the size of the dog and the child, the adult may asked to lift a table breed on or off the table, or the Club may mandate that the adult should do regardless. The required judging surface (table/ ramp/ floor) defined by the parent club does not apply to the Pee Wee Class Special Attraction. The safety of the dogs and children is the priority when determining the surface for judging. Neither the youngster nor the adult should be asked to show the bite.

NOTICE TO DOG OWNERS/EXHIBITORS

WHEN YOU SIGN THE ENTRY FORM, YOU AUTOMATICALLY AGREE TO THE FOLLOWING TERMS CONCERNING MOTELS EXTENDING THEIR PLACE TO YOU.

THE FOLLOWING RULES HAVE BEEN ESTABLISHED FOR THE GOOD OF ALL EXHIBITORS CONCERNED.

1. Plastic sheeting is to be placed under every crate in motel rooms. This will keep carpets clean and dry. Plastic sheeting for each crate will be the responsibility of each exhibitor to provide **HIS/HER** own.

3. Dogs must be kept on a leash at all times while in the hotel, lobbies or on hotel grounds. Rooms and lobby must be kept clean of dog debris.

9. Should a hotel/motel, for cause, deem it necessary to cancel room privileges, the registrant agrees to forego legal actions against CLUSTER CLUBS and the hotel/motel.
10. As an exhibitor, I am aware that violations may be referred to the **Show Committee** if written charges are preferred. If such charges are upheld by the **Show Committee**, it may lead to suspension from future show privileges.
11. Motel/hotels have the right to charge a deposit (refundable or non-refundable).

BRVI

Born out of a desire to better serve our breeder and handler friends, BRVI offers the highest quality veterinary, digital radiography with the convenience of a mobile unit. Using the very latest DR radiography technology, images are acquired within seconds of exposure allowing BRVI to provide OFA certification radiographs onsite at dog shows and field trials. With the staff's use of fear-free techniques and in the presence of their owner/handlers, dogs do not require sedatives or anesthesia to go through the process. Capturing images while muscle tone is present and therefore less laxity in the joints may increase odds of good or excellent interpretations.
