JUDGE: TBD

**ENTRY FEE: FREE**

NEW THIS YEAR---pre-entries will be taken online, please see the link and QR code below.

Pre-entries will be able to choose ribbon colors and have their rosette personalized.

All entries will receive a similar rosette regardless of day of or pre-entry.

Pre Entry - limited to fifteen, closes at time of regular all breed show closing, August 12<sup>th</sup>, at noon.  
Day of entry available but limited to total (pre and day of) to 20 participants.

ALL ENTRIES (day of and pre-entries) must sign the release and proper paperwork at the show office prior to participating!!!

Consult judging program for ring time and location.

The Pee Wee Special Attraction is a pre-Junior Showmanship class. The Pee Wee class is geared toward children 5 to under 9 years of age at all shows offering Pee Wee. Each Pee Wee unit consists of the child, his/her parent/guardian/responsible adult, and the dog or a stuffed animal. Only one Pee Wee unit is in the ring at a time. This is not a competitive class, but rather a fun, learning experience for the child and the adult.

- A dog must be at least four months of age to enter the Pee Wee class.
- Bitches in season will not be allowed to participate. If pre-entered, a dog may be substituted that meets the eligibility requirements as specified by the club.
- All dogs entered must have the proper lead and collar.
- A responsible adult must be present with the child both inside and outside the ring. The adult shall to maintain control of the dog outside of the ring.
- At an All-Breed event, all AKC fully recognized and Miscellaneous Class breeds are allowed to enter, including dogs with a PAL listing.
- In addition to an entry, a release must be signed by the child's parent or legal guardian. All pre-entries must come to the club office and sign the release prior to participating. Forms will be available at the show office

The safety of both the dogs and Juniors inside and outside the ring is a primary concern. Outside of the ring, the dog is to be controlled by the adult accompanying the child. An additional lead, provided by the Club, will be at the Judge's table. At the Judge's discretion based upon the size of the child and the dog, for safety purposes the adult may be asked to attach a second lead to the dog so both child and adult will walk the dog together.

Although the word "judge" will be used, this is designed to be a learning and mentoring experience—no Junior will be "judged" but rather will be mentored with the age appropriate amount of information to help prepare them for what they will be expected to know about AKC regular Junior Showmanship once they reach 9 years of age. The children will be mentored one child, their adult, and dog in the ring at a time. Each child will receive a participation rosette and each dog will receive a squeaky toy to commemorate the experience!

The Judge should explain the process of showing the dog to the Junior and the responsible adult in the ring including breed specific presentation. Depending on the size of the dog and the child, the adult may be asked to put the dog on and off the table or ramp, the Club may mandate that the adult should do it regardless. Neither the child or the adult should be asked to show the bite.

Each participant will be given a rosette, bag with lots of goodies and toys, valued at \$20, by the Cedar Rapids Kennel Association.

AMERICAN  
KENNEL CLUB

# AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

Everything We Do,  
We Do for Dogs.
