A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show. Junior Handlers who win a third Novice Class with competition, if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open, after the closing of entries for a show are required to transfer their entry from the Novice Class to the Open Class by notifying the Superintendent or Show Secretary prior to the judging of the class at the show.

Open Class - shall be for boys and girls who are at least 9 years old and under 18 years old on the day of the show and who have won three (3) first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show.

No entry may be changed or cancelled unless notice of the change or cancellation is received in writing by the Superintendent or Show Secretary named in the premium list to receive entries, prior to the closing date and hour for entries, except that a correction may be made from one age division to another, as well as, move from Master to Open or Open to Novice if a win has been disallowed or the Junior miscalculated number of placements, provided this transfer is made by the Superintendent or Show Secretary prior to the judging of the class at the show.

NOTICE: Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry.

You may obtain your junior identification number by calling the AKC, Judges Education Department (919) 233-9767.

Professional handlers, household members and current assistants to professional handlers may not exhibit the dog in any AKC National Owner-Handled Series competition during the entire show. A current assistant is defined by anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any show during the cluster/weekend, however current assistants that are eligible to compete in Junior Showmanship (meet age and amateur status requirements) may participate in NOHS.**

ATTENTION EXHIBITORS

The Show Site will be available to exhibitors **NO EARLIER** than **3:00 pm** on Thursday. Doors will be locked at **10:00 pm** each night (*all persons must be out of the building by this time*) & opened at **6:00 am** each morning. Dogs must be removed from the show site immediately following Best in Show judging on Sunday.

Dogs may be left in the building overnight & there will be a security guard on duty. In accordance with AKC policy, each dog that is left in the facility overnight must be identified with a tag stating the owner/agent name & where they can be reached in case of an emergency. In the event of multiple entries, one tag will be sufficient provided it clearly outlines the number of dogs & the area in which they are crated. Forms are available at the Club Table.

Exhibitors & owners must take responsibility to see that the dogs in their custody & care are properly taken care of. **No training collars allowed on dogs overnight.** In the event that a dog appears to be in danger of heat-related problems or any other form of distress, all efforts will be used by the Show Committee to rescue the animal & administer proper care. If this rescue procedure demands forcible entry to a vehicle, the show-giving club assumes no liability in respects to any damage to the vehicle, motor home or trailer

Designated Toy Ring in ballrooms adjacent to exhibition hall with **Toy Breed grooming only allowed.**

Limited premium grooming space will be available for a fee. Please see reserved grooming request form for more information. Toy Breed grooming only space will be available in the ballrooms. There will also be ample additional indoor grooming space with plenty of electric access as well as a designated day grooming only area without electric available in the exhibition hall. All grooming space is indoors.

The Show committee reserves the right to make decisions concerning the grooming/crating area in non – reserved areas. Crates must be staked & saving of space will not be allowed.

No soft-sided crates allowed

Ringside crating will be permitted fifteen (15) minutes before breed is judged but must be removed immediately after judging. Show Chair reserves the right to ask that any or all crates be removed at any time.

No private exercise pens inside the building. These are only allowed outside along the East side of the building. Public exercise pens will be provided and must be attended by owner or agent while in use.

Overnight RV Parking will be available on show grounds. No RV parking prior to **11:00 am** on Thursday. - We are offering the on-line option as well as paper forms for our eye clinic.
- If you are using the on-line option, log in to your OFA on-line account, create a new application, choose on-line exams, then choose the event itself for the test location and Dr. Marlo.
- Once Dr. Marlo completes the exams, the form updates with OFA on-line. Owners will still need to submit it to OFA if they want certificates for it. When using the on-line option, the discounted rate of \$10 per test is built into the application itself, so you will not need the coupon code in order to receive the clinic rate.
- Anyone that utilizes the paper copies will need the coupon code and instructions for uploading the exam through OFA Online to receive the discount.

AMERICAN
KENNEL CLUB®

AKC® Code of Sportsmanship and Civility

Preface: The tradition of competitive purebred dog events predates 1884—the year the American Kennel Club (AKC®) was founded. Those involved in these sports share core values, including a strong commitment to sportsmanship and a welcoming, respectful culture that embraces the diverse community united by a love of dogs.

These values are evident across all aspects of the sport: conformation, performance, companion, and family dog activities. Many believe that the enduring principles of sportsmanship and civility are key reasons the sport has thrived for over 140 years.

Recognizing that periodically reaffirming our shared values strengthens our community, the revised code will be shared widely to highlight the foundational values and principles that define the sport.

- Sportspeople always place the welfare of their dog above all else.
- Sportspeople prioritize the long-term health and preservation of their breed, making decisions that reflect a deep commitment to responsible breeding and ownership.
- Sportspeople respect the history, traditions and integrity of the sport of purebred dogs.
- Sportspeople conduct themselves in a manner that reflects positively on the sport, the American Kennel Club, and themselves.
- Sportspeople appreciate, encourage and support all who associate with and participate in the sports by fostering an environment where respect, equity, inclusion, and courtesy are foundational.
- Sportspeople understand, uphold and abide by all AKC bylaws, rules, regulations and policies.
- Sportspeople contribute to a positive atmosphere at events by avoiding negative gossip, disparagement, or unsportsmanlike behavior.
- Sportspeople extend their values of civility, fairness, and respect to all digital and social media platforms.
- Sportspeople actively support the education and mentorship of newcomers, helping them learn the rules, values, and traditions of the sport in a respectful way.
- Sportspeople recognize that they are role models in the sport, and strive to lead by example through humility, kindness, and ethical conduct.
- Sportspeople treat fellow exhibitors, judges, officials, volunteers, spectators, and AKC staff with dignity and respect, regardless of experience, background, or differences in opinion.
- Sportspeople are committed to fair play, honesty, courtesy, and competition, approaching both winning and losing with grace.
- Sportspeople understand that strong competition and civility can—and should—coexist. They appreciate the quality of their competitors, and the effort put forth by others.
- Sportspeople uphold their responsibilities to the sport of purebred dogs and refuse to let personal gain or self-interest influence their decisions or behavior.
- The sportsperson judges only on the merits of the dogs and considers no other factors.
- The sportsperson judge or exhibitor accepts constructive criticism.
- The sportsperson exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsperson exhibitor refuses to compromise the impartiality of a judge.
- Sportspeople are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportspeople decline to exploit any positions of authority or recognition for personal advantage.
- Sportspeople appreciate those that have gone before them and realize they are responsible for maintaining and enhancing the sport for future generations.

We Do for Dogs.**
